Re: ACT/037/033

Dear Mr. McMurray:

On June 26, 1978 the Division granted tentative approval for the Ransome Mining Project. A short account of the Mining and Reclamation Plan will now be published to seek public comment on the plan. If no adverse public comment is received, the Division of Oil, Gas, and Mining will grant it's conditional final approval on or about August 7, 1978.

Sincerely,

BRIAN W. BUCK
